

A Prayer for Your Job Interview

Heavenly Father,

I come before You with gratitude for this opportunity. Thank You for opening a door that aligns with the gifts, skills, and experiences You have placed within me. I ask for Your peace to settle my mind and steady my heart. Let Your presence go before me and prepare the way.

Give me clarity of thought, confidence in my abilities, and calmness in my spirit. Help me communicate with grace, wisdom, and professionalism. Let my words be seasoned with kindness and truth. Remind me that my identity is secure in You — not in a job title, not in an outcome, but in Your unfailing love.

Grant the interviewer discernment and favor, and let Your will be done in this process. If this role is aligned with the purpose You have for me, open the door wide. If it is not, close it gently and guide me to the place You have prepared.

I trust You completely. I release anxiety, fear, and self-doubt, and I receive Your peace that surpasses all understanding. Thank You for being my Provider, my Guide, and my Strength.

In Jesus' name, Amen.
